# About Us

OpportunityOne is a workforce ecosystem designed to enhance economic mobility in North Texas by removing barriers and increasing access to high-demand careers, job training and lifelong learning.

The OpportunityOne integrated platform provides:

- Benefits for individuals, employers and social service agencies
- 24/7 access to learning and development libraries
- Career pathway exploration and assessments
- Skills development and training referrals
- Integrated connections between employers, job seekers and agencies
- Continued support beyond job placement
- Innovative virtual job fair platform
- Robust data tracking and reporting
- Employer partnerships

OpportunityOne is a service offering of the Community Council of Greater Dallas, delivered in partnership with AdvanceNet Labs, Achieve Works, and a network of participating faith-based institutions, nonprofit organizations, and workforce training providers.

We are at the center of how community-based organizations work and learn; together we're building thriving communities by equipping our neighbors to flourish.

Founded in 1940, the mission of the Community Council is to serve the community by providing leadership in:

- Determining priority issues and solutions in the human services arena, with a focus on poverty alleviation
- Convening partners to significantly impact service delivery
- Increasing awareness of and access to services
- Advancing effective solutions for poverty alleviation

Our major community service and program arenas include:

- Convening of Anchor Institutions
- Coalitions & Capacity Building
- Workforce Development
- Community Health Services
- Community Youth Development
- Aging & Disability Services
- 2-1-1 Information & Referral
- Affordable Housing & Transportation
